

What is the CFS "Helping Hand"?

These are some of the ways that we can connect with you to make sure you have the resources available to be as successful as possible! Are you taking advantage of all of them?

Sales Reps: Our outside sales reps can come to your shop and show you all of the latest products at your convenience!

Customer Service: Our inside sales reps are here to assist you in any way. They can check availability, give you current prices, advise you of specials, etc.

Web Site & Facebook: These are great locations to check out daily & weekly specials, see photos of products, download prices, etc.

Drivers: The best drivers in the business! They are constantly delivering sale flyers and if they don't have the answer to a question, they will make sure to get it for you!

Email Specials: We email out the most aggressive sale flyers in the game. Make sure you are on our mailing list!
